WORLD CLASS ASS

Hi Victoria, how are you today? Just a little hungover but apart from that I'm very well thank you!

Tell us about yourself, where are you from? I have been living in Birmingham for the past 6 years, but originally born and bred in farmer land, Somerset.

What made you become a model? It was never really meant to happen to tell you the truth, a photographer got in contact with me and it all went off from there.

SO WHO DO YOU LOOK UP TO IN THE WORLD OF MODELLING?

ARABELLA DRUMMOND IS ONE OF MY FAVOURITE MODELS, SHE'S ABSOLUTELY STUNNING AND JUST MAKES A GREAT MODEL!

What makes a good night out, great? Friends, good vibes, music and lots of alcohol!

Do you prefer clubs or gigs? Clubs for sure.

Photographer: Andy Watson / DRW Images

ARK CIRCLE
FOR THE
OOL, CALM
&
ONNECTED

WHAT MOVIE DO YOU WATCH WHEN YOU ARE ILL? STEP BROTHERS, IT NEVER FAILS TO PUT ME IN A BETTER MOOD.

WHAT DO YOU USUALLY DRINK ON A NIGHT OUT? I'M A GIN AND TONIC KINDA LADY.

Do you stop for a kebab or take away on the way home? Give me a bit of alcohol and I could eat a horse! I will leave the club early for a bit of food haha.

What kind of man do you go for? I don't really have a type but as long as they can make me laugh, treat me good and have good fashion sense I might let them take me for a drink.

Do you have a celebrity crush? Ryan Gosling.

Boobs or bum? I'm a bum girl.

What is your best feature? I like to think my bubble butt is.

Photographer: Andy Watson / DRW Images

Victoria
SPORT

Mancini

Photographer: Andy Watson / DRW Images

What's the most embarrassing thing that has happened to you in public? Probably when I was dressed as a Barbie at a fancy dress party. I tripped over a step and landed flat on my face, my dress went over my head, and my butt was in the air for a bunch of guys to see my behind.

What food could you eat for the rest of your life? YO! Sushi.

Any advice for upcoming models reading this? Don't be afraid to network with anyone that can be a link for you. If your really passionate about it then you need to keep healthy, a good model needs a good body, good drive and a good attitude towards the industry to make it.

The Fittest Ass Around

CHLOE BROOKE

Photographer: Graeme Allon | MUA: Lucy Westgarth | Interview: Neale McGeever

Hi Chloe, how are you today? I'm very well thank you.

How was your experience with Elite? Simply amazing, and great fun working on this shoot - I love working with Elite.

How do you feel about being in the bum special? I'm thrilled to be featured. I'd definitely consider my bum to be one of my best physical assets!

So you agree you have an impressive set of buttocks? Haha! Maybe I should let you be the judge of that?

Do you think round and juicy is better or pert and peachy? I'd say round, shapely, yet tight, and toned is best. Squats are a women's best friend.

What is your favourite part of a person? For men

RUMOUR IS THEY ALL DRINK SHANDY IN LONDON, IS THIS TRUE OR DO I HAVE TO BUY YOU SOMETHING ELSE? SHANDY? NO THANK YOU! I'M NOT A HUGE PARTY GIRL, BUT IF YOU WERE TO BUY ME A DRINK IT MUST BE SOMETHING STRONG AND SWEET.

- broad Shoulders, chest, back, arms …yes I'm a greedy girl! For a girl it is all about the booty and a small tight waist.

You're from London, do you prefer it in the capital or up North? Being a Londoner I love aspects of London life, but I adore the Northerners temperament - they are all such nice people. I did this shoot in Newcastle, and met lots of lovely people.

Best area to hang out in London? It is very personal, and there is something for everyone in London. I liked Shoreditch, Camden, Chelsea, and I used to go to Holland Park a lot in the summer. That is the beauty of London there is something new around every corner!

YOU ARE VERY INTO YOUR FITNESS. SO HOW DOES ONE GET AS FIT AS CHLOE BROOKE? IT IS PRETTY SIMPLE REALLY! TRAIN SIX DAYS A WEEK, EAT CLEAN, SLEEP, AND DRINK LOTS OF WATER.

Photographer: Graeme Allon | MUA: Lucy Westgarth

DO YOU NOT LIKE TO PIG OUT ON A BIG PLATE OF CHIPS? I MUST BE HONEST NOT REALLY...I USED TO BEFORE I GOT INTO THE FITNESS INDUSTRY. I GENUINELY CRAVE OTHER THINGS THESE DAYS SUCH AS MY HOME MADE SWEET POTATO WEDGES. YUM!

Are you related to Kelly Brook? Nope afraid not.

Who is fitter, you or Kelly? Put us both on a treadmill and see who collapses first?

What's your favourite food? I love my fit foods such as oatmeal, sweet potatoes, quinoa, brown rice, lots of greens, protein shakes, and good fats such as olives, almonds and humus. If I had to choose one it would probably be my post workout treat which is oats, banana, peanut butter, and honey.

Do you expect your date to always pay after a meal? Generally yes on initial dates.

Photographer: Graeme Allon | MUA: Lucy Westgarth

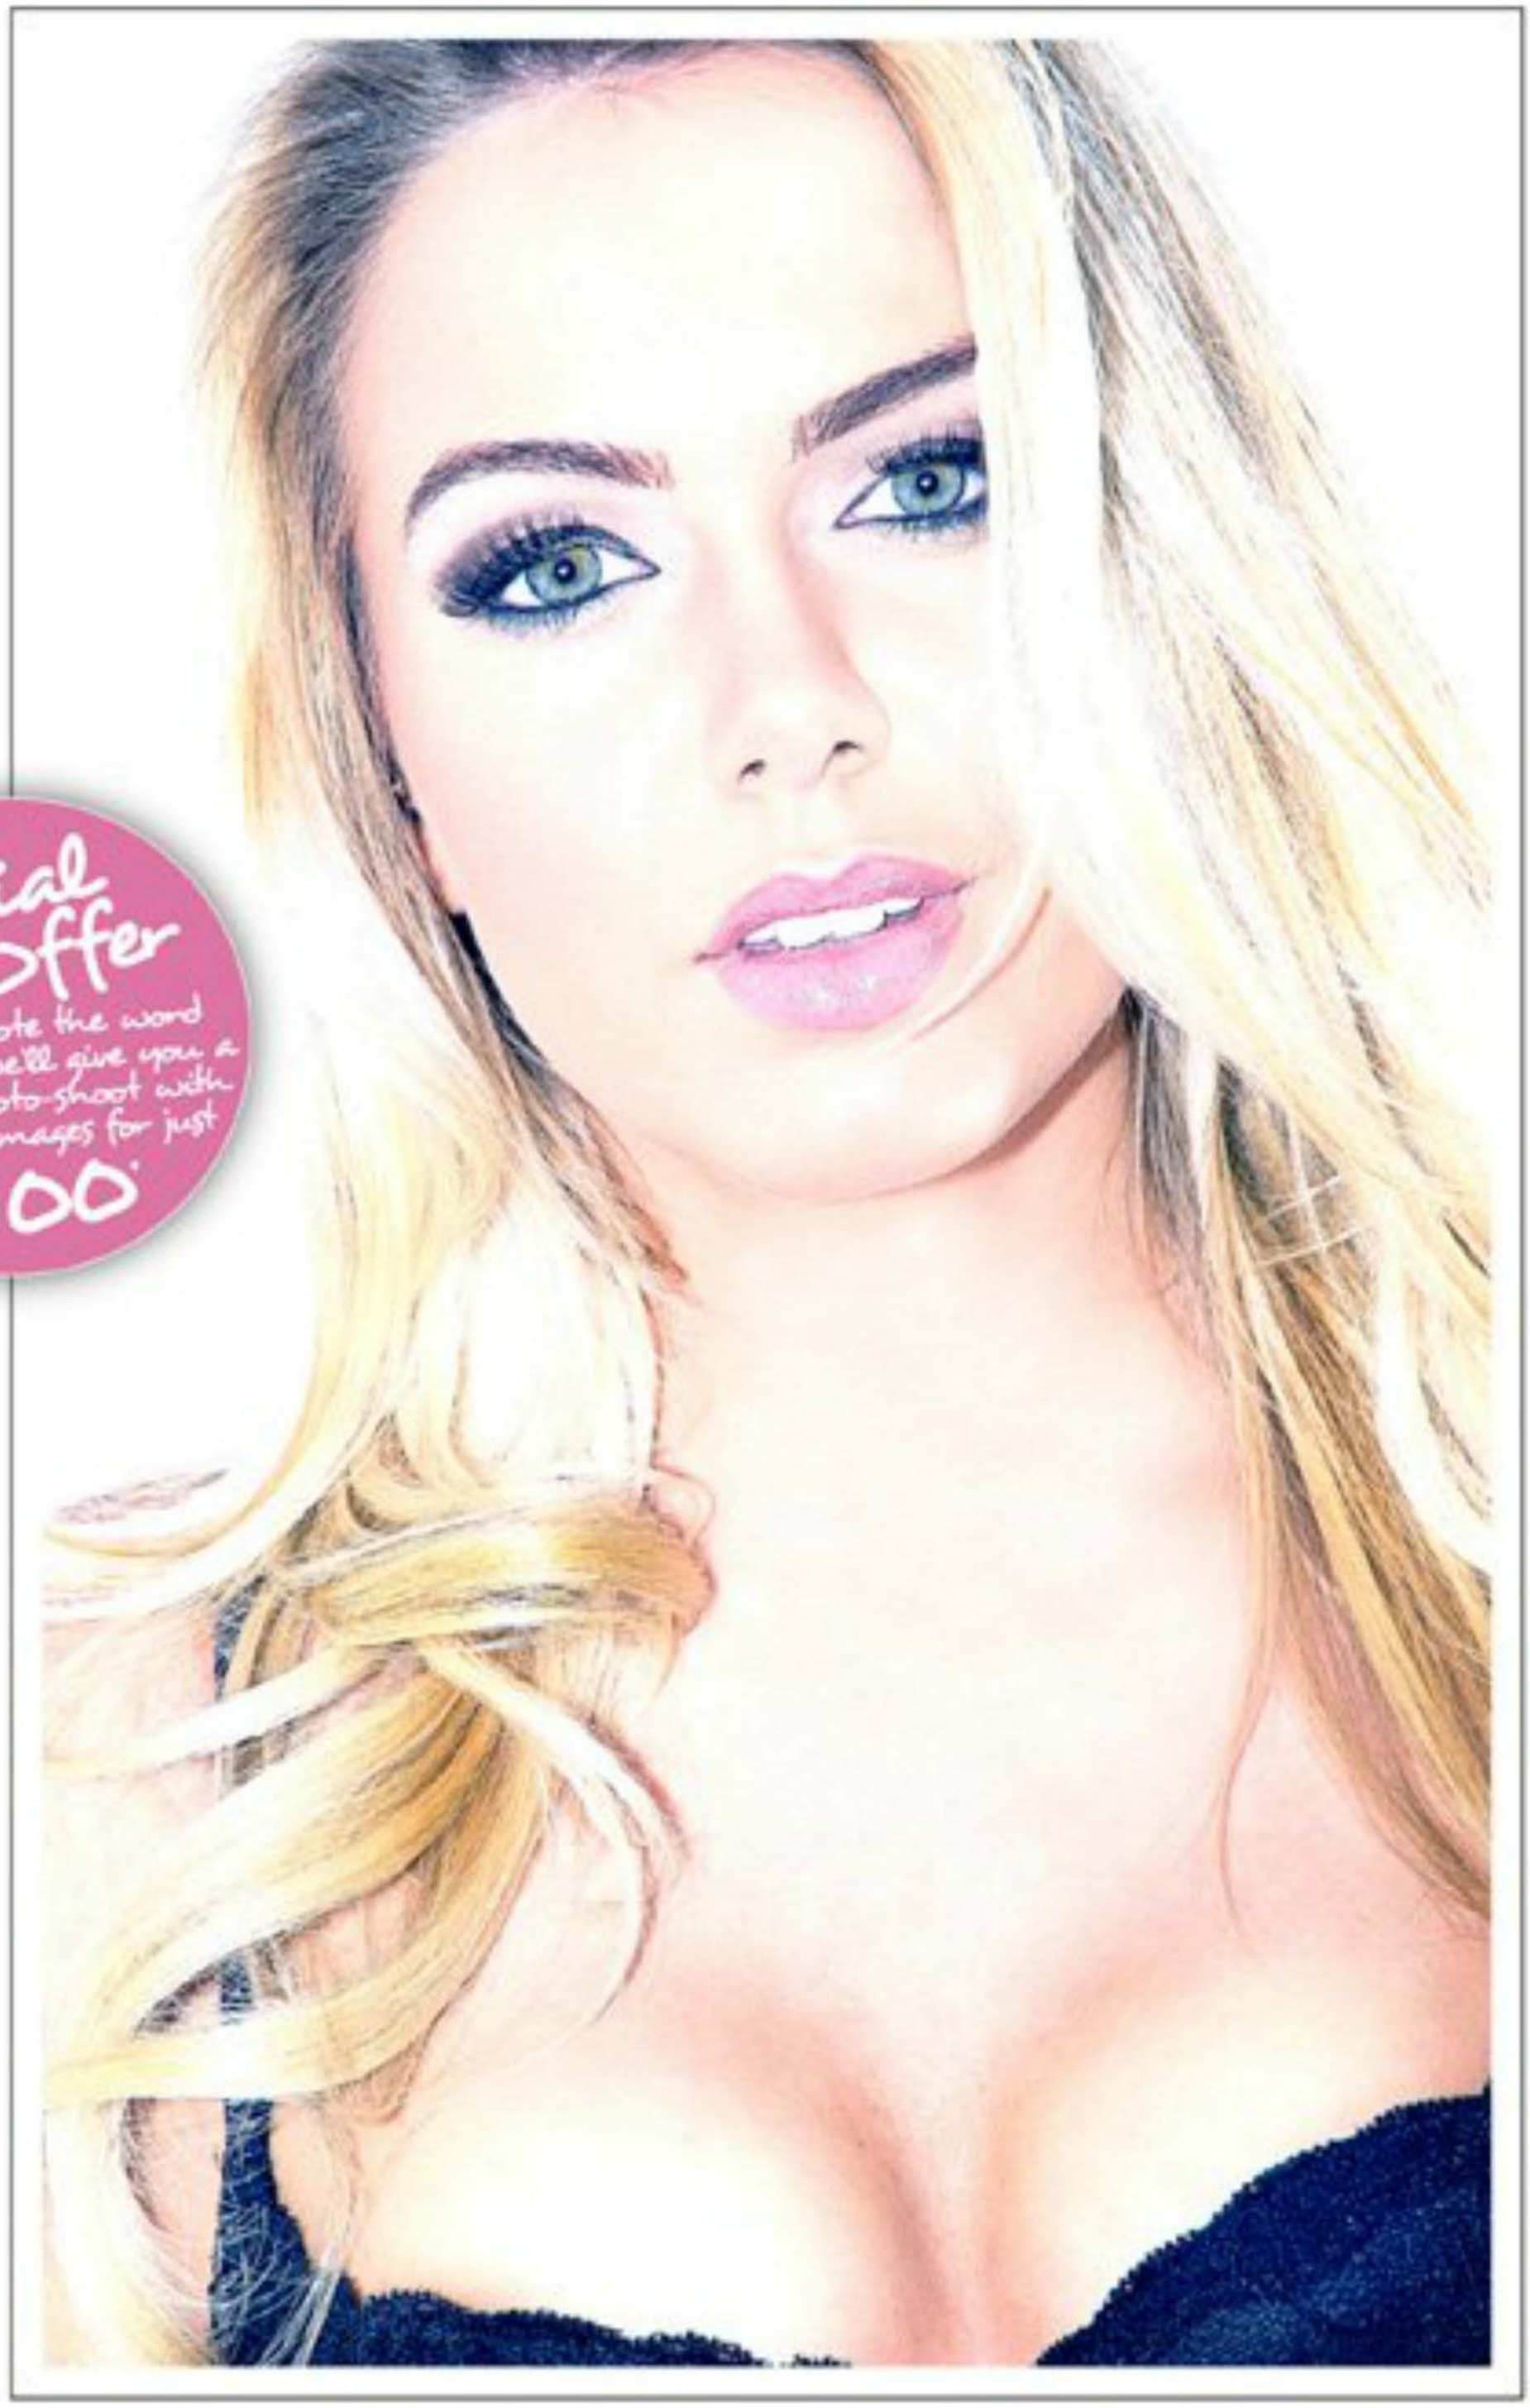

What if they used a coupon? I don't pass judgment too early on but I would not think it would be a particularly suave move on a first date!!

Talk us through a perfect date? A perfect date is meeting someone whom remains naturally, effortlessly, themselves regardless of what you do.

SUMMERS COM

By Dolly Diamond

So, for the British, summer doesn't exactly scream serious tan lines, week long BBQ weather and factor 50 sun cream. Instead we reminisce in August, that one Wednesday we had a BBQ before it peed it down raining, and even then we stood out with a brolly determined to make the most of 'summer' as regard it as one of the best days of the season. One thing you've got to love is the sheer determination of the Brit's though, so sod it. I'm still stocking up my summer wardrobe with barely there essentials doing sun dances by the Barbie.

So, what am I planning on where on these extravagant sun dances I hear you scream?

DAWNTROVERSIAL *WWW.DAWNTROVERSIAL.COM*

BLACK MILK *WWW.BLACKMILK.COM*

NOTONIX STICKS HER BUM ON THE LINE AS TO WHY WE THINK SHE HAS ONE OF THE BEST BUMS AROUND...

RACH NOTONIX

THE BADDEST OF ASSES

Hi Rachel, how are you today? Yes I'm great thank you, just finished a shoot and now having a nice cuppa.

How does it feel to be in Elite Online? Awesome!! I had such a cool time shooting with the team.

This shoot is for the bum Issue. You like a good booty? It's all about a big booty!

DO YOU AGREE YOU HAVE A NICE BUTT? IT'S ALRIGHT I SUPPOSE!

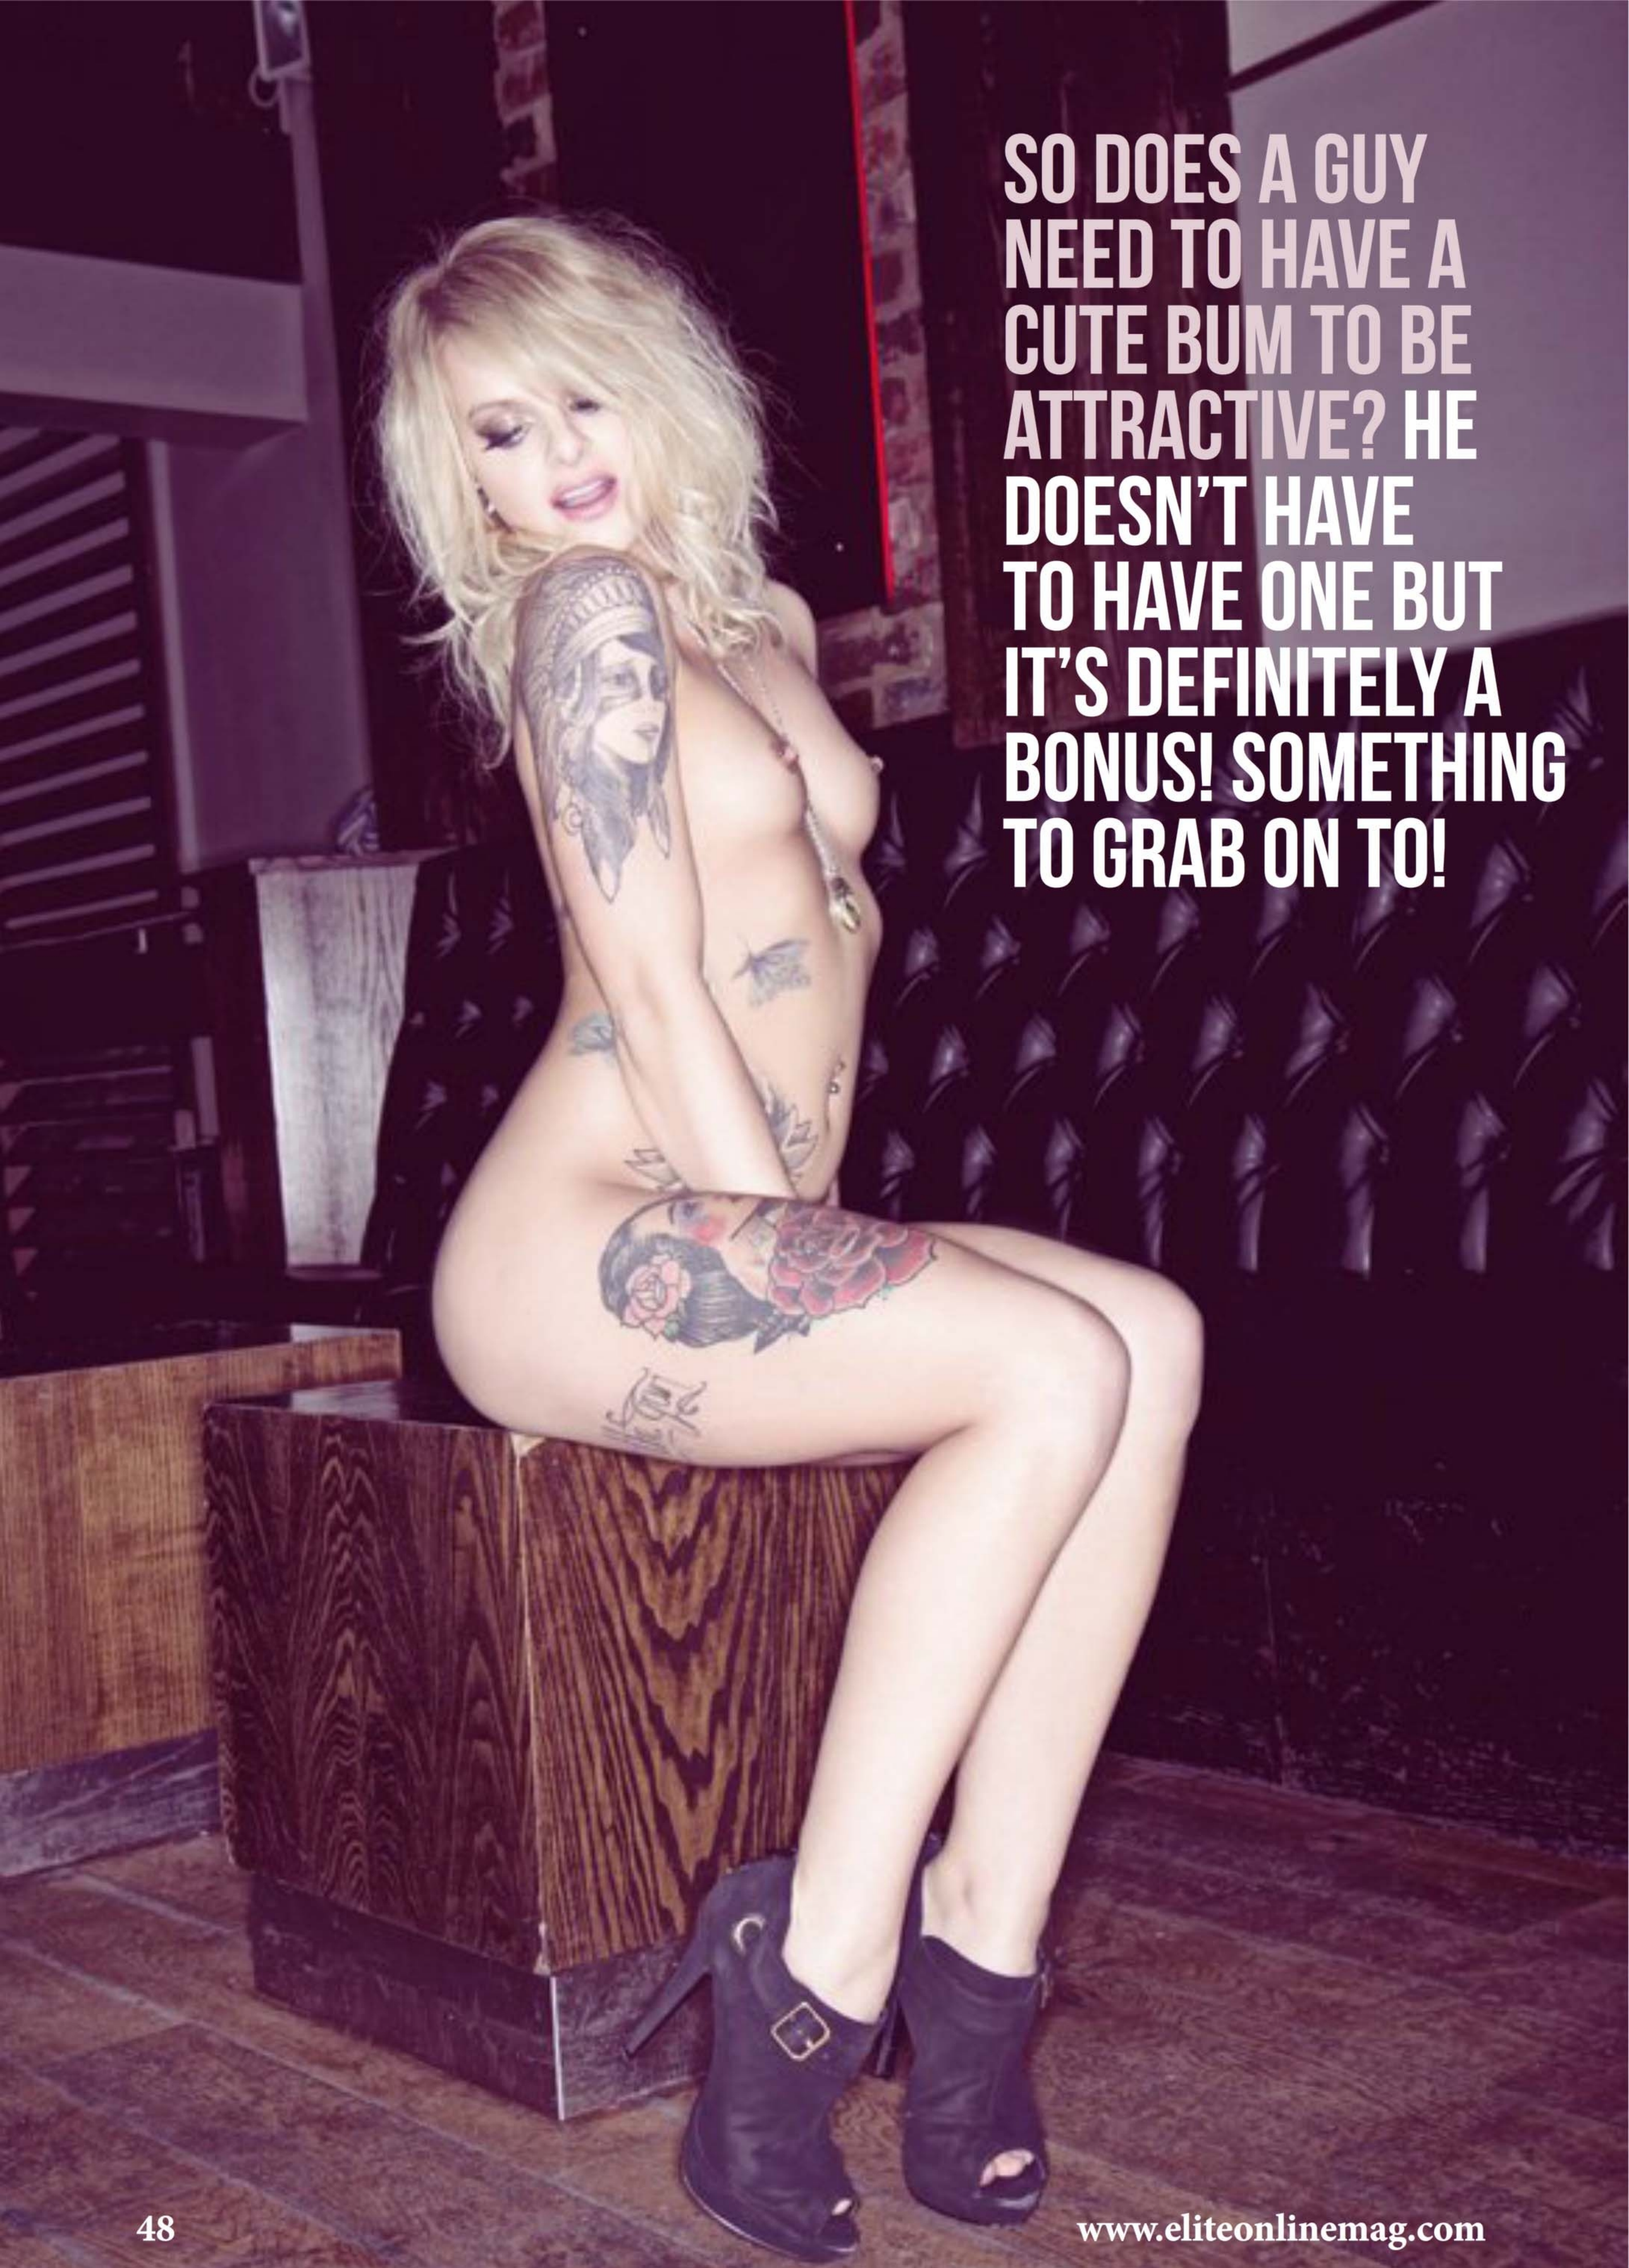

In your opinion, who has the best bum? I don't really know! Beyonce or J-Lo?

SO DOES A GUY NEED TO HAVE A CUTE BUM TO BE ATTRACTIVE? HE DOESN'T HAVE TO HAVE ONE BUT IT'S DEFINITELY A BONUS! SOMETHING TO GRAB ON TO!

Photographer: Graeme Allon / MUA: Lucy Westgarth

WHAT IS YOUR FAVOURITE PART OF A GUY/ GIRL? THEIR PERSONALITY.

Photographer: Graeme Allon / MUA: Lucy Westgarth

GOOD ANSWER! GETTING BACK TO YOUR BUM: WHAT IS YOUR FAVOURITE KIND OF UNDERPANTS? I LIKE FRENCH KNICKERS, OR GOOD OLD GRANNY PANTS(LAUGHS). I'M JOKING!

Photographer: Graeme Allon / MUA: Lucy Westgarth

Your name is 'Notonix', pronounced 'no tonics' so what do you drink with your gin? With ice.

Hardcore! In all seriousness, what is your favourite drink? Probably Kopparberg [fruity cider] or rum and coke.

I HEARD YOU BURP A LOT FOR SUCH A SEXY GIRL, IS THIS TRUE? HAHA HOW DO YOU KNOW THAT? MAYBE... I CAN'T HELP IT, IT JUST COMES OUT (NUMBER 8).

So do you think girls should burp and fart as they please? Yeah why not, when did it become ok for guys to and not girls?

You have a lot of tattoos, which one is your favourite? My favourite is probably my most recent on my right arm, always wanted a native American woman! It was done by the talented Victoria Rose in Bournemouth.

You have a tattoo of Bob Marley on your arm, why him? Because he's a genius.

Do you think in an alternate universe: Bob Marley is still alive and has a tattoo of you? That would be amazing, but I doubt it haha!

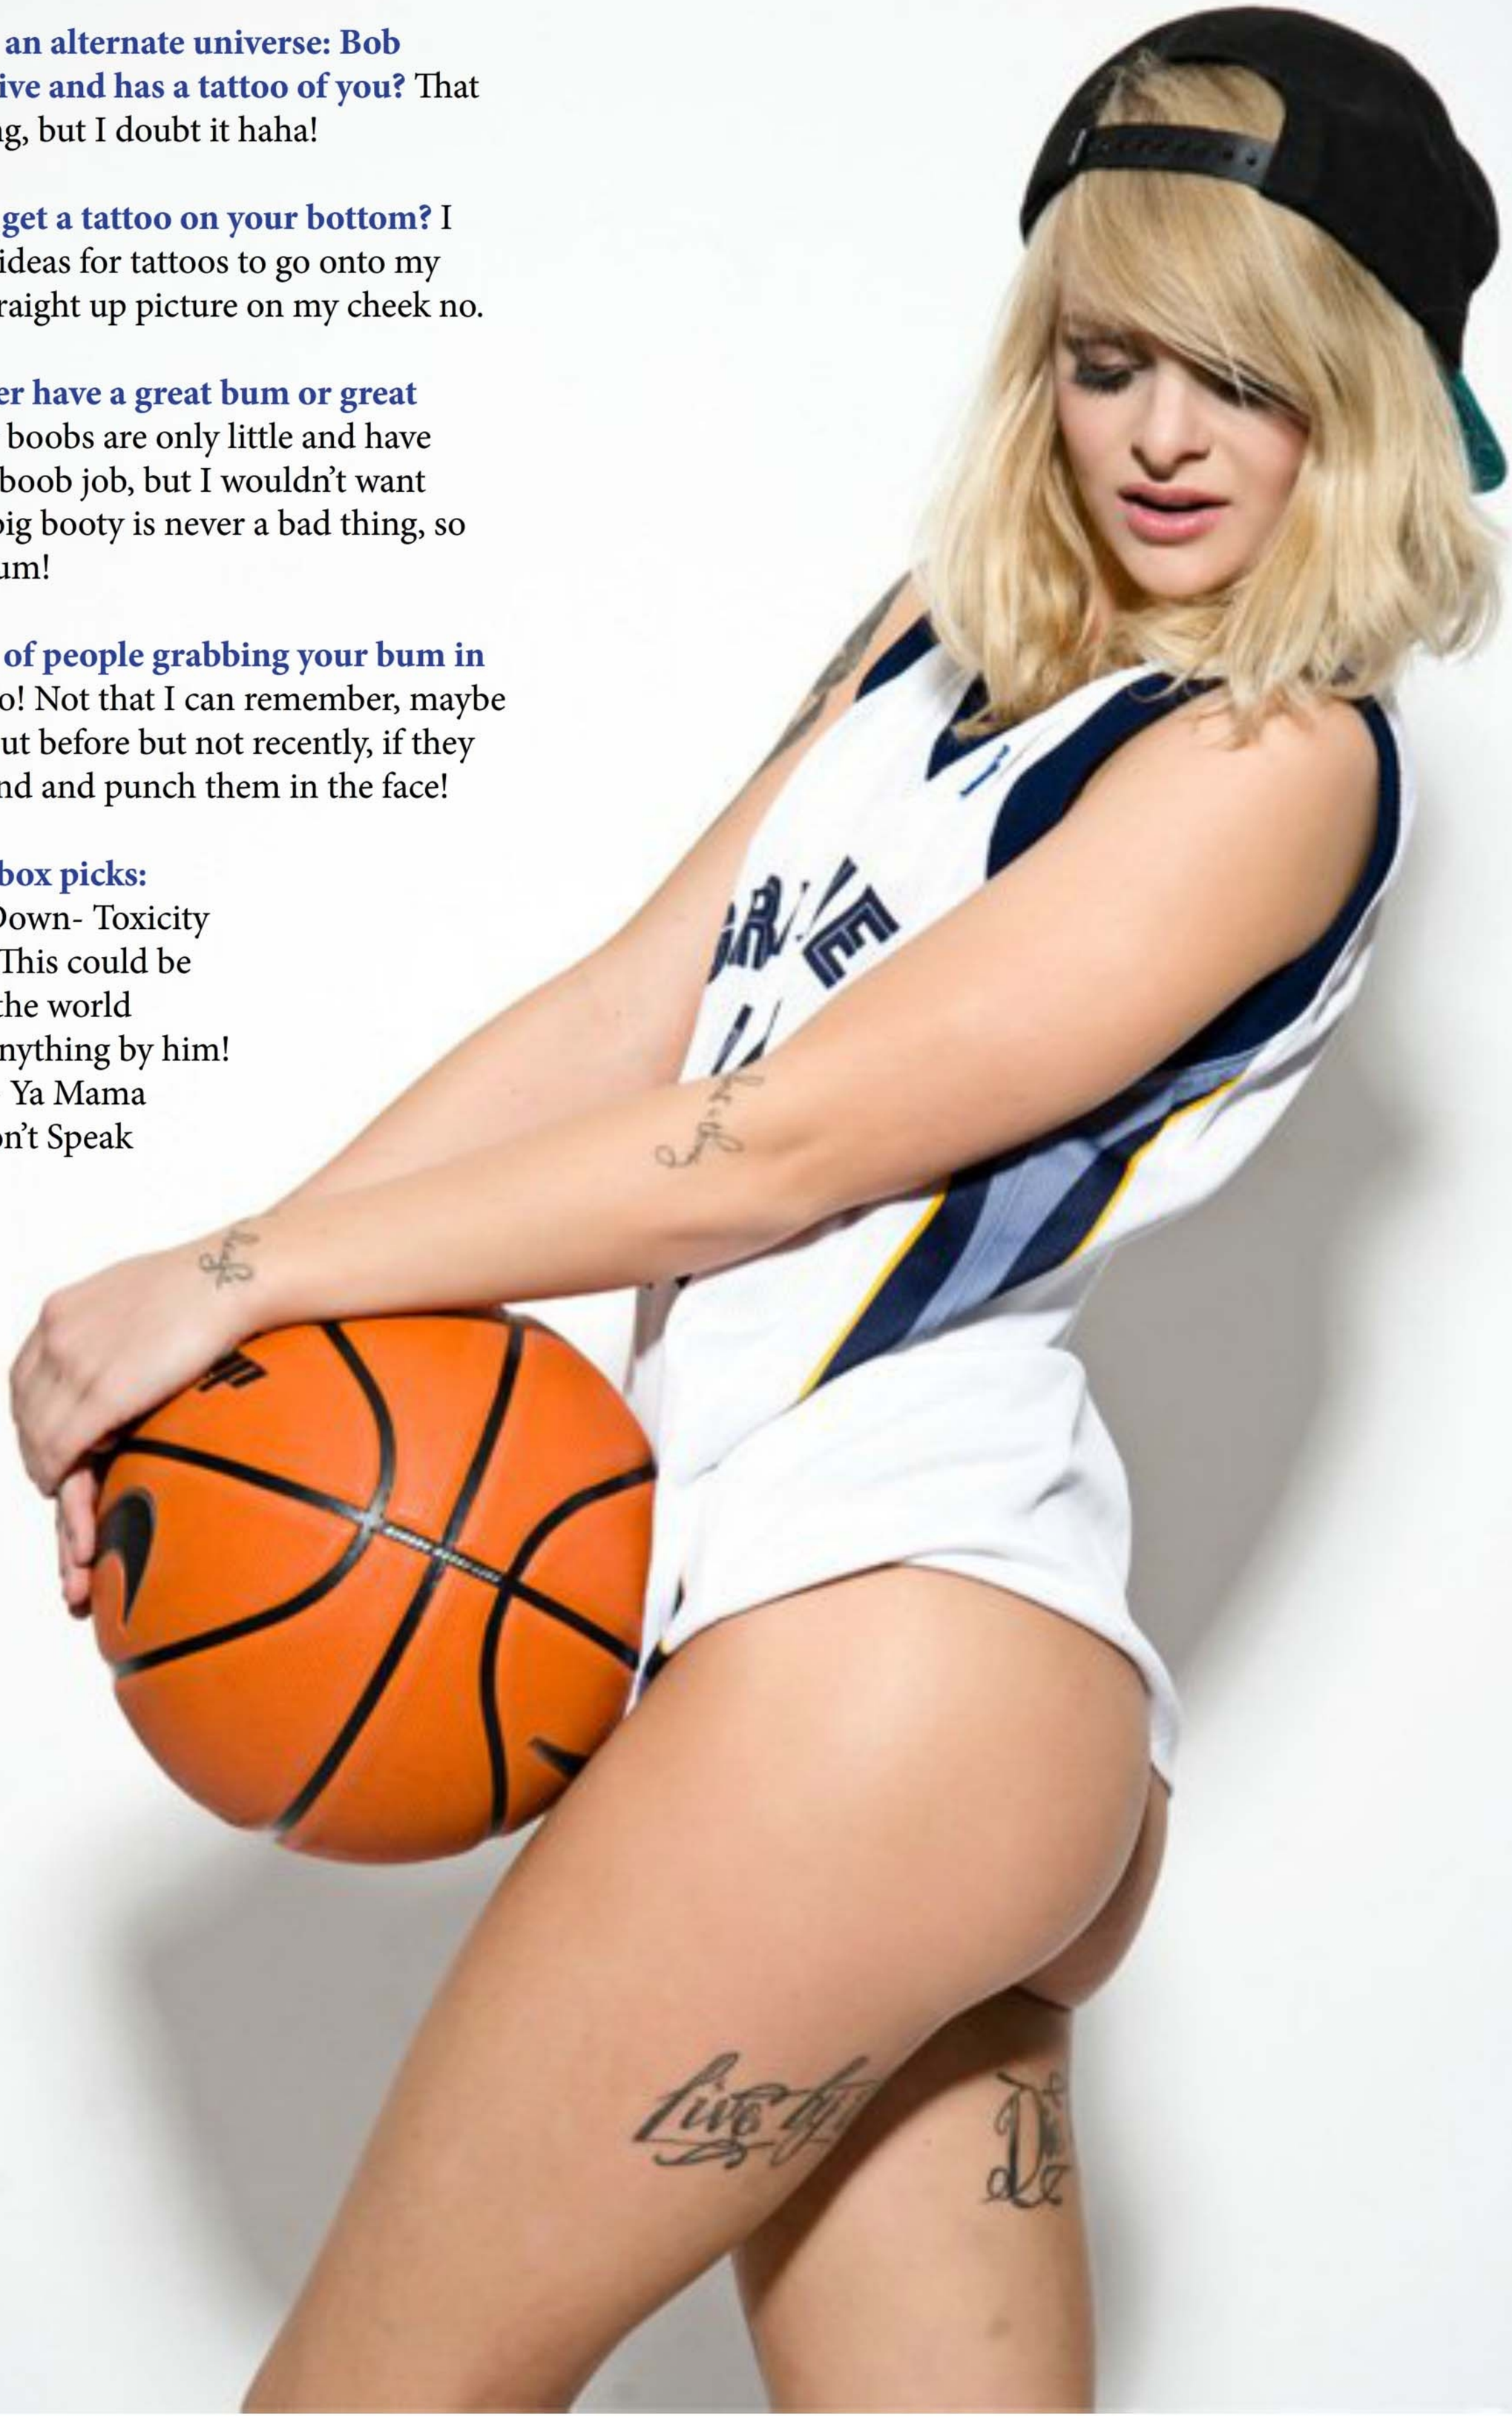

Would you ever get a tattoo on your bottom? I have a couple of ideas for tattoos to go onto my bum but not a straight up picture on my cheek no.

Would you rather have a great bum or great boobs? Well, my boobs are only little and have always wanted a boob job, but I wouldn't want massive jugs. A big booty is never a bad thing, so probably great bum!

Do you get a lot of people grabbing your bum in public? Haha! No! Not that I can remember, maybe when I've been out before but not recently, if they did I'd turn around and punch them in the face!

Your top 5 juke box picks:

1. System Of A Down- Toxicity
2. Alexisonfire - This could be anywhere in the world
3. Bob Marley- anything by him!
4. The Pharcyde- Ya Mama
5. No Doubt- Don't Speak

ELITE'S VERY OWN LIL' RAE

Hi Rae, how are you today? I'm really good thank you :)

Where are you from? I'm from Tyldesley, a little town in Manchester.

How does it feel to work with Elite? Exciting I love working with new people and on new projects.

Photographer: PICFX

OF SUNSHINE

What made you become a model? A push in the right direction, I never thought it was within reach!

So who do you look up to in the world of modelling? Lucy Pinder is amazing! She's done and achieved so much, I can only wish to do the same!

What makes a good night out, great? With the right people! Always have a great night as long as you are surrounded by people who love you. Oh and shots.

Do you prefer clubs or gigs? I'm not sure I suppose I like both, but clubs are just an easier night to sort.

What do you usually drink on a night out? Pretty much anything. If I'm with the girls I love a cocktail!

Do you stop for a kebab or take away on the way home? HELL YES!! Nothing says gourmet michelin star quality on a Saturday night more than a kebab and cheesy chips smothered in garlic mayo!!

What kind of man do you go for? I go for guys with personality. Of course looks plays a part but if you've the personality of a brick it won't work. I like a guy who can make me laugh, so if you find yourself a bit of a comedian, do say hello!

Do you have a celebrity crush? I've quite a few Ryan Reynolds, Ryan Gosling, Russell Howard, Declan Donelly, Olly Murs, Seth Rogan...

BOOBS OR BUM? WELL I'M CONSTANTLY LOOKING A BOOBS AND APPRECIATE A GOOD PAIR, BUT A CRACKING ARSE IS HARD TO COME BY!

What is your best feature? Apart from the obvious, I'd have to say my eyes.

What's the most embarrassing thing that has happened to you in public? I'm not sure I tend to be embarrassed for like 5 mins then move on. Not such an awkward person.

Photographer: PICFX

WHAT MOVIE DO YOU WATCH WHEN YOU ARE ILL? STEP BROTHERS AND ANCHORMAN! WILL FERREL IS A GENIUS!

Photographer: PICFX

What food could you eat for the rest of your life? Spanish, it's in my roots, so I could eat it forever. Yum.

Any advice for upcoming models reading this? Just to be yourself, you'll be criticised for what you do either way. If it makes you happy that's the important thing :)

SMUT CLOTHING - WWW.SMUTCLOTHING.CO.UK

Hi Natasha, how are you today?
Pretty good thanks! Excited to go out tonight!

How does it feel to be chosen for Elite Online's Bum Special? It's an honour and I can't wait to read it and see all the other lovely bums in all their glory!

DO YOU AGREE YOU HAVE NICE BUTT?

YEAH I QUITE LIKE IT, PEOPLE ARE ALWAYS COMPLIMENTING ME ON IT TOO WHICH IS COOL.

Apart from your booty, what would you say is your best feature?
Probably my eyes or my hair!

So what do you go for in a guy?
Firstly they have to be sound! Then looks and their style come after that. I tend to go for stoner guys a lot thinking about it, probably because I just like chilled out easy going people.

Any celebrity crushes? Quite a big fan of Tyson Beckford actually! Had a weird crush on Steve-O too, his laugh is amazing.

Your name sounds extremely Russian, are you? No, I was born in Macclesfield!

Photographer: Graeme Allon
MUA: Lucy Westgarth
Clothing: SMUT

WHO DO YOU THINK HAS THE BEST BUM? HAS TO BE THE SEXY LADY 'MISS PIXIE' OR NOTONIX...OR ZOE MOORE.

Can you do a Russian accent?
I can a bit.

DO YOU LIKE VODKA? I ACTUALLY LOVE VODKA!

So is Berkshire a good night out?
Never actually went out in Bracknell as there's not really any point. Went out in Reading a few times though which was pretty good. Going to move there later in the year I think, will be living in Bournemouth for the summer though which is always a sick night out!

What do you usually drink? Vodka of course! Sometimes cider and black, or rose win. I want this summer to be all about the cocktails though!

You have some very unique tattoos, what are they of? Thanks! Well my biggest tattoo on lower abdomen area was done by a man called Bert from Forever and Ever in Bournemouth. Everyone always asks what the graffiti says, it says 'Abstract' so there you go. The Dia de los Muertos lady on my side was designed by my good friend Mister '420' Dodd who is an amazing artist and tattoo artist. Check him out on Facebook! It was tattooed by Mickey Pope at Black Pearl in Parkstone though as it was in his early days of tattooing. He has recently done a lil' tattoo on my upper back and lower neck though

<<<

which is a sort of colourful flower of life inspired pattern. I quite like it! Harry the hummingbird on my arm was done by Karl Stevens at 'White Flame' in Winton. I got the rest done in Lanzarote, Turkey, and Reading.

Are you getting any more soon? I'm getting quite a big thigh piece in a few days by an amazing artist from Electric Lady in Reading called Hannah Calavera. Can't wait!

What is next on the horizon for Natasha Kalashnikova? Looking forward to the move back to Bournemouth, for the summer. Definitely not a bad place to be at that time of year! The diary's getting pretty full up of shoots and I'm working with some awesome people. So lots more cool pics to come. Planning to do a 'business trip' to Ireland and Scotland at some point this year too. 80% of the reason I want to go to Ireland is the accent though! Probably brought on by a childhood filled with 'Father Ted'.

ABSOLUTELY FANTASSTIC!

Photographer: Graeme Allon / MUA: Lucy Westgarth

Hi Kassi, how are you today?
I'm very good thank you! Still buzzing of our recent shoot! Haha.

Where are you from? I'm from Essex.

How does it feel to work with Elite?
I loved working with you guys. Was so much fun! Felt so comfortable and the pics are amazing!

What made you become a model? I modelled when I was young so... I guess I had it in me since I was little.

So who do you look up to in the world of modelling? Erm I look up to Katie price in the sense that she is a great business women and made it in the modelling industry. But I look up to Lucy Pinder in the glamour world as to me she is gorgous! And obviously Victoria Secret models, they're just ridiculous! I'd die to look like them!

WHAT MAKES A GOOD NIGHT OUT, GREAT?

FIRST I NEED TO HAVE MY BEST MATE WITH ME ANYWHERE I GO! NO MATTER WHAT, WE WILL HAVE A GREAT NIGHT. I THINK IT DEPENDS ON WHO YOU ARE WITH ON A NIGHT OUT THAT MAKES A BIG DIFFERENCE.

BOOBS OR BUM? BUM!

Photographer: Graeme Allon / MUA: Lucy Westgarth

Photographer: Graeme Allon / MUA: Lucy Westgarth

WHAT FOOD COULD YOU EAT FOR THE REST OF YOUR LIFE? NANDOS!

LIKE NO JOKE I NEVER GET BORED... I HAVE TO HAVE IT AT LEAST ONCE A WEEK! PIGGY! HA.

Do you prefer clubs or gigs? I prefer to go to clubs.

What do you usually drink on a night out? I loovveeeeee Disaronno and cranberry! Mmm it's so good! Ha.

Do you stop for a kebab or take away on the way home? Yes normally a Mcdonlds though or cheesey chips! Best thing ever after a night out! Always feel bad the next day though...

What kind of man do you go for? Has to be tall dark and handsome. Love tattoos that's a must now days, they're sexy on a guy!

Do you have a celebrity crush? Ah Trey Songz, Chris Brown... they're just too much! When they come on TV I can't cope! Haha.

What is your best feature? Hmm I don't know to be honest. Some guys would say my bum so I'll just go with that!

What's the most embarrassing thing that has happened to you in public? I was dancing on stage and as I finished, came down, I fell straight flat on my face! I could have died, seriously in front of everyone. I just laughed it off but I'll never forget it!

What movie do you watch when you are ill? Any Disney film! I'm such a big kid!

Any advice for upcoming models reading this? I would just say follow your dreams and never give up! x
